

Bonness Cosmetic Surgery Non-Surgical Rejuvenation Menu

Lunch Time Peels*\$85

This is a 25-30 minute treatment that includes cleansing with our Clarisonic Brush and Ultrasound, and a mild chemical exfoliation. There is little to no down time.

PCA Chemical Peels*\$125

PCA Body Peels*\$100-\$150/Area

PCA peels will help reduce the depth of surface lines, smooth rough skin texture, treat skin discoloration, redness, and assist in clearing acne.

Skin Medica Peels*

Illuminate.....\$125

This superficial chemical peel utilizes a novel approach to chemical peeling with a newer generation of alpha-hydroxy acids, phytic acid, salicylic acid, and resorcinol to maximize effects with minimal downtime.

Vitalize.....\$150

Vitalize Peel helps fight the effects of time, sun damage, and environmental stressors. This powerful, yet non-damaging peel can take years off aging skin with a more aggressive approach.

Rejuvenize.....\$225

Rejuvenize Peel is an advanced formulation of peeling agents, with a built-in anti-irritant and penetration enhancer that provides controlled exfoliation to reveal fresher and healthier skin. This is the most aggressive Skin Medica peel.

Facials.....\$100

Our facials target common skin concerns, providing medical grade skin care solutions to address anti-aging, acne, free radical damage, rosacea repair, and other conditions. May or may not include the use of the ultrasound machine.

Dermaplane Treatment.....\$50

This treatment is a careful exfoliation of the top layer of the skin removing dead skin cells, peach fuzz, and stimulating new skin development with a specialized surgical blade. After completion, a soothing mask will be applied.

Light & Laser Treatments

Photo Rejuvenation with

BBL Light Treatment*\$400

BBL is the most versatile Intense Pulsed Light aesthetic solution available for benign pigmented and vascular lesions, dermal rejuvenation, and acne.

eMatrix*\$400

eMatrix uses fractionated radiofrequency to lightly ablate and heat the skin to stimulate maximum collagen formation. It helps with treating acne scars, fine lines and improving skin tone and texture & tightening. This system can be used safely on ALL skin types.

Fraxel*Price Varies

Fraxel is a erbium laser that lightly ablates the skin thru thousands of pixel type treatment zones. It improves texture, pigment and pore size.
